New Product

Graphical Panel Meter

WPM Z

1. Easy to read

6 digit LCD display

Background color selection

2ch input calculation display

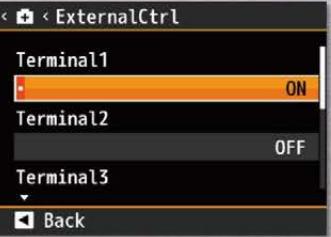

2. Easy to use

Bar graph display

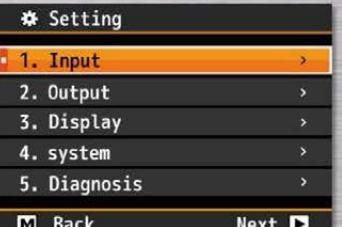

Trend graph display

Self-diagnostics function

Simple setting

Setting by menu

DC Voltage / Current Measurement

WPM Z-1

- DC Voltage / Current input
- High-speed sampling rate (1ch : 4000 times/sec, 2ch : 2000 times/sec)
- Alarm log function

Strain Gauge Measurement

WPM Z-3

- Strain Gauge input
- Wave compare, Multi hold function
- High-speed sampling rate (1ch : 4000 times/sec, 2ch : 2000 times/sec)

Rotation and Speed Measurement

WPM Z-5

- Rotation and Speed Measurement
- Pulse input
- Line driver input

Instantaneous and integrated flow rate

WPM Z-6

- Flow rate / Flow total measurement
- Pulse input
- Analog input

WPM Z Series
